

**MUST-HAVE
ACCESSORY**

DF-SS

DARK FIELD SUSPENSION SYSTEM

A TRUE ADVANCEMENT IN CABLE VIBRATION ISOLATION

The DF-SS employs advanced vibration absorbing and static-neutralizing technologies that will dramatically improve the performance of any home entertainment system.

- Static-Neutralization Construction
- Internal Vibration Diffraction Compound
- Energy Absorbent Suspension Bridge
- Vibration Absorbing Feet for hard surfaces
- Patented design
- Stable, Substantial Foundation (*won't tip or slide*)
- Unequaled Shunyata Build Quality
