

TAILORING SERVICE

ARC Edition

WE
WILL
RACK
YOU!

Handmade in Italy
Bassocontinuo[®]
FINE AUDIO RACKS

If you own **ARC** electronics and are searching for the perfect stand to accommodate them, you've come to the right place!

Our tailoring service, B by Bassocontinuo developed a fully customizable model of rack specifically conceived and designed for ARC components. Handcrafted in Italy, these racks are not only tailored to enhance the aesthetic appeal of your electronics, but also to optimize their performance.

...What are you waiting for?

Elevate your audio setup with a stand that reflects your unique style while perfectly complementing the craftsmanship of your ARC electronics!

BESPOKE

HAND-MADE IN ITALY

100% CUSTOMIZABLE

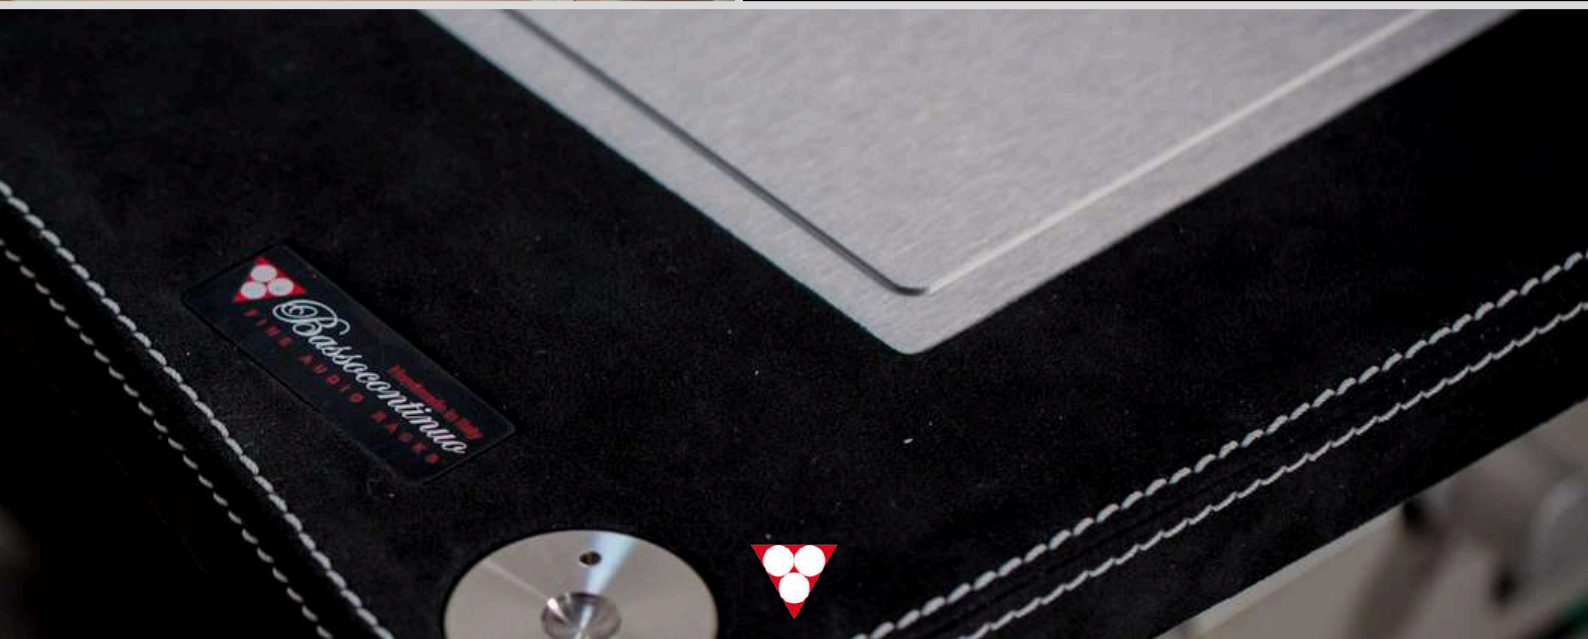

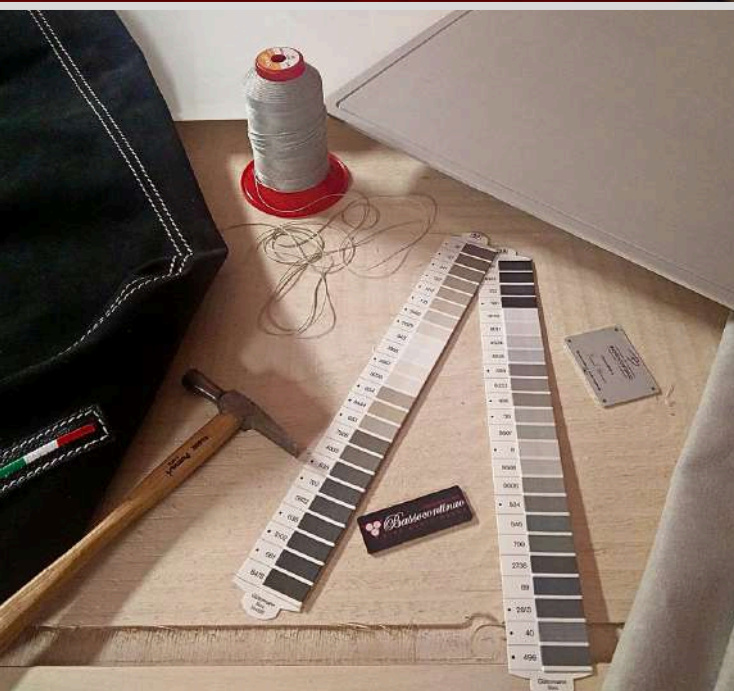

Technical Features

- **Modular solid stainless-steel structure** for greater durability and flexibility, allowing for easy upgrades or modifications to the rack.
- **Independent shelves** for easier movement and flexible organization.
- **Height-adjustable spikes** for greater stability and easier adaptation to any surface.
- **Base disks** decoupled by rubber-like material.
- **Harmonic Damping Resonators** in solid stainless-steel for improved sound quality and vibrations absorption.
- **Rubber-like material** under each shelf for a perfect decoupling.

Aesthetic Finishing

- **Genuine black Alcantara leather** of Italian origin. Soft, durable & premium.
- **Silver stitching** echoing the iconic colour of ARC electronics.
- **Aluminium inlay panels** upon which to place your electronics.
- Hand-sewn **silver fabric** on the back of each shelf for a perfect visual harmony.
